

**Northern Illinois University
College of Engineering & Engineering Technology**

Road Builder Charities Scholarship

The purpose of the Fund is to provide scholarship support to a student studying Construction Management or Engineering.

The Award:

One scholarship valued at \$3,000 for one academic year to be administered \$1500 for Fall and \$1500 for Spring.

Eligibility:

- Candidates must be a declared major in the College of Engineering & Engineering Technology.
- Preference is for students with Illinois residence and for those who can demonstrate financial need (address this in your personal statement).

About the donor:

Road Builder Charities, Inc. was created in July 2009 to provide educational funding and training programs for Illinois students. RBC supports member charities, offers scholarships to college students in transportation-related fields, and scholarships to children of fallen workers.
