

Department of Chemistry & Biochemistry Undergraduate Scholarship

A scholarship to support solid undergraduate chemistry majors with financial need.

Eligibility is open to declared undergraduate chemistry majors with a financial need, an anticipated graduation in December or May and a grade-point average of 3.00 or higher. The award is financial in nature and funds will be deposited in the Bursar's account for the student.

Requirements:

- \$ Letter of application A one paragraph discussion indicating what the student is current doing to economically support their education. This need not divulge personal details, only that the student has a demonstrated need.
- \$ And, a short (1/2 to 1 page) discussion on my "Career in Chemistry" goal.

**ALL MATERIALS MUST BE SUBMITTED TO
LINDA DAVIS (FARADAY 319) BY APRIL 1.**
