Final Exam (Tuesday, May 8, 4-5:50 p.m.)

No labs will be accepted after the last day of classes (May 4, 2018, 12:00midnight)

Problem Sets will be posted on www.niu.edu/brown every week, and they will be due one week later at the beginning of the class (**not at the end of class**). Late homework will be penalized 10% per day (however, Problem Sets # 3, 6, 9—the problem sets just before quizzes—and the final problem set will not be accepted late).

All quizzes and exams are closed book, and closed notes. Graphics Calculators and Cell Phones will not be allowed, only scientific calculators can be used.

Tentatively: All Problems Sets will make up 25% of the **lecture** grade

Each quiz “ “ 15% ” ”

Final Exam “ “ 30% “ “

Lecture grade will make up 75% of the **final** grade

Lab will make up 25% of the **final** grade

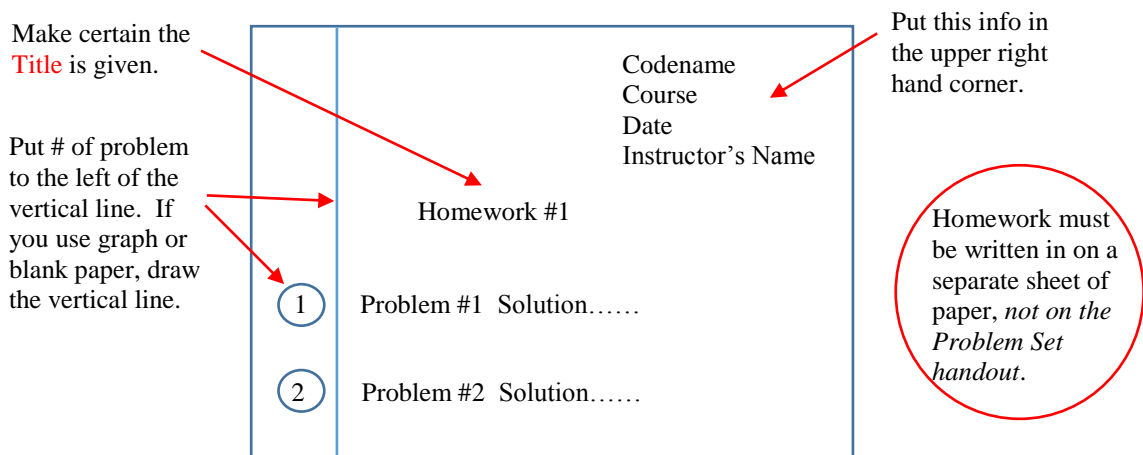

The lowest scoring Problem Set will not be counted towards the final grade.

[Extra Credit \(MCAT\) Problems Sets](#) take the place of lowest scoring problem set.

There are Physics Tutors available in Faraday East Room 251

Additional Notes:

- (1) When the solutions are posted on Blackboard, late homework will no longer be accepted.
- (2) When graded problem sets are handed back to students in class, late homework for that problem set will no longer be accepted.
- (3) Do not put any homework in the box outside my door—I may never see it and it will get mixed up with graded work. If I am not in my office and you wish to turn in a problem set, slide it under my door or have it put in my office mailbox.
- (4) All labs are to be handed in to your Lab TA. Do not hand any labs to me.
- (5) You will be asked for a codename at the beginning of class. Put this codename on your homework. Do not put your real name or ZID on homework (or you will be penalized).
- (6) Homework must be stapled (or you will be penalized). Homework should have the following format (or you will be penalized):
