

NIU Schedule for Review of Academic Programs and Research and Public Service Centers

As program review is aligned with disciplinary accreditation cycles, in rare cases the program review and mid-status assessment review will occur in the same academic year for the first cycle of the alignment.

*New programs are reviewed three years after implementation.

Updated April 2022 – Subject to Change

Program Review Date	UAP Mid-Status Date	Next Program Review Date (years between)	College/Division	School/ Department	PROGRAM(S)/ CENTER(S)	CIP Code
