Congratulations! You’re almost done with your first year at NIU.

It’s time to celebrate your success. Your first year of college is almost complete and you can look back at many “firsts” – from move-in day to finding a parking space in the commuter parking lots, or from studying for exams to receiving your first semester grades. Although the first year is full of ups and downs, we hope it’s been an overall great experience for you.

Take time to reflect on your experiences so far. What have you accomplished? What have you encountered that means something to you? Have you discovered anything that you want to explore further? Your second year is the perfect time to find new meaningful opportunities. You are no longer new to NIU, which means you know more about how to navigate campus and be a college student. Take advantage of this and make the most out of your second-year by utilizing all of NIU’s resources. Sophomore year is crucial for academic and career development. Explore organizations, utilize NIU Career Services, visit the writing center and find a way to become a leader on campus. This can help you develop skills, build relationships and find something you love. Enjoy your summer and congratulations on the completion of your first year at NIU!

Huskie Food Pantry

Are you an NIU student without an on-campus meal plan? Consider the Huskie Food Pantry! The Huskie Food Pantry provides food and nutritional amenities for currently enrolled students. Stop by the Huskie Food Pantry at the Chick Evans Field House on Thursday nights from 5:30-7:30pm.

Looking for volunteer experience? Sign up for a shift to help unload the truck, stock shelves and assist with Pantry Night!

Room and meal plan selection continues

Rooms on campus are filling up fast! This fall, we’re offering some new housing options, including the refreshed Neptune East wing with air conditioning, furniture and flooring. The new Esports Community, LGBTQA Community and Fine Arts House are all coming to Neptune East. Secure your housing online – if you live on campus now, no deposit is required. go.niu.edu/fall-housing

A new meal plan option, the Huskie Block Meal Plan, is also set to arrive this fall. It’s an upgrade to the Huskie Classic plan (formerly called Huskie Unlimited) that offers 12 meals per week with 20, 30 or 40 Flex Dollars that can be used at retail locations across campus. Students with the Huskie Block plan will also be able to take advantage of the new to-go program, which offers to-go containers for taking food out of Gilbert, Neptune and New Hall. If you need help deciding on the plan that fits you best, take the meal plan quiz: go.niu.edu/meal-plan-quiz

Campus Dining also has exciting changes planned in Stevenson this fall. Take a sneak peek at Stevenson Dining’s new look this fall: go.niu.edu/stevenson-dining-updates
Students’ Legal Assistance

At NIU, our main goal is to help students receive a quality education. Unfortunately, legal situations may arise during a student’s career that can cause distraction from this primary focus. Students’ Legal Assistance provides students with the legal information and guidance they need to help resolve their concerns and focus on what’s most important - their education.

Students’ Legal Assistance provides students with the following:

- Expert advice from a licensed attorney to provide help with filing claims and accessing legal resources.

- **Free consultations** that provide input, answer questions and help to facilitate the legal process.

- Help with identifying the most appropriate legal representation.
