2019 Teaching Assistant Institute

Teach, Lead, Succeed
Career and Professional Development Opportunities at NIU

The Graduate School has new career supports for you:
Bring your laptop or tablet so you can follow along as we introduce the following...

We’ll start with an overview of the Professional Development section on the Graduate School's web site: www.niu.edu/grad

NEW! THIS FALL!
Familiarize yourself with our 3 career enhancement courses:

- UNIV 600: Hazard Analysis in Academic Research and Artistry
- UNIV 601: Career Development and Planning
- UNIV 602: Graduate Career Preparation for the Job Market

Next, we’ll walk you through the NEW Graduate Career Resource Center, a one-stop shop for tailored career and professional development needs.

Finally, optimize your career pathway!

- Opt-in to TextMarks.
- Attend workshops (online & F2F opportunities).
- Enroll in UNIV 600, 601, and/or 602.
- Earn a Responsible Conduct of Research certificate and transcript notation.
- Join Brown Bag Grad/TA Chats.
- Request a career advising appointment.
- Invite us to share information with your student organization or grad classes.
- Let us know your needs.

Who are we?
We are Co-Coordinators of Graduate Career and Professional Development, ready to help.
