The IRS will mail you a copy of the document you have requested. You will then submit all pages of that document to the Financial Aid & Scholarship Office for review. The document needs to have the student’s name and Z-id number written at the top to ensure it goes to the correct file.

If you do not receive the document within a month you should call the IRS to see if there was an error or if something else is holding up the process. 1-800-908-9946 or 1-800-829-1040.
