How do I apply for a Parent PLUS Loan?

A Parent PLUS Loan is a loan from the federal government to the parents of dependent undergraduate students. Parent PLUS loans are credit based using the provided parent’s financial information to determine if the loan will be approved. Parents who are not approved for the Parent PLUS Loan may appeal the credit decision or apply with a co-signer (also called an endorser).

To be eligible to apply for a Parent PLUS Loan an individual must be:

- Student’s biological or adoptive parents (regardless of if they have custody of the student or not)
- A Stepparent if the stepparent’s financial information is required to be reported on the FAFSA

The following individuals are not eligible to apply for a Parent PLUS Loan:

- Legal Guardians
- Non-Citizens
- Individuals who are in default on a federal student loan or owes a federal student grant overpayment
- Individuals whose property is held in a lien by the federal government or who are incarcerated
- Individuals with adverse credit history as determined by the Department of Education

To apply for a Parent PLUS loan the Parent borrower must go to studentaid.gov and “Log In” using their FSA ID and password.

Note: If the student logs in using their information, the student will be the borrower and will not be eligible for the loan. This will result in an invalid application that will not be processed.
Move your mouse to the top of the page and hover over the “Loans and Grants” drop-down. Click on the link that says: “PLUS Loans: Grad Plus and Parent PLUS” when it appears.

Click the “Learn More” button under Select a borrower type.

Click the ”Start” button under Apply for a Plus Loan.
Before starting, make sure that you do not have a freeze on your credit report. Click the “Continue” button to proceed with the application.

Select the award year that the student will be attending. For example, if your student is starting in the Fall of 2022, Spring of 2023, or Summer of 2023, the award year will be 2022-2023.
Enter the student’s Name, Personal Information, and Contact Information. You may be able to select a student and have the system fill in the data fields for you. Verify the information entered is correct before moving on.

If this is your second plus loan application for the aid year, you need to select if this is a new loan or if you are trying to change the previous loan. (Please note, it may be significantly easier to email the financial aid office if you want your loan adjusted.)

**Specify a reason for submitting this Direct PLUS Loan Application**

- **New (I am submitting a new Direct PLUS Loan Application).**
- **Change (I am requesting a change to the loan amount specified in a previously submitted Direct PLUS Loan Application).**

**Select the Direct PLUS Loan Application you want to modify:**

Previous Loan Reference Number and Loan Amount Requested

Select the “Loan Amount Requested” as either:

- “I want to borrow the maximum Direct PLUS for which I am eligible, as determined by the school.”
  
  Note: Selecting this option may result in a reduction of federal work study.

- “I would like to specify a loan amount” then type in the loan amount you want. (You can contact the financial aid office for a recommended amount based on your student’s other aid and charges.)
  
  Note: An amount must be specified, or the application process will be delayed while the school requests this information from the parent.

- “I do not know the amount I want to borrow. I will contact the school.”
  
  Note: If you choose this option, it is important you contact the school or the application process will be delayed while the school requests the information from the parent.
Select the Loan Period from the drop-down list:

- For most borrowers we recommend choosing a full year loan if the student will be enrolled in both the Fall and Spring semesters.
- If the student is graduating in Fall 2022 or you only want a Fall semester loan — select Fall only.
- If the student is starting in the Spring 2023 or you only want a Spring semester loan — select Spring only.
- *Note: Contact the Student Financial Aid Office if you are unsure when you will be attending.*

Loan funds are disbursed to the Bursar account after the add/drop period is closed. If the Federal Direct Parent PLUS disbursement generates a refund after University charges are paid, the refunded amount will go to the parent unless the parent borrower indicates on the PLUS application that they authorize any refund to be sent to the student.

If the disbursement generates a parent refund, the parent borrower has the option of signing up for direct deposit. Direct Deposit offers a timely, reliable, and safe way to deliver your refund to your checking or savings account. Complete the Direct Deposit PDF and return it to the Bursar Office. For more information on refunds, please see the Bursar Office Website.
What happens if the Parent PLUS Loan is denied?

- **Apply with an endorser**—allows the borrower to reapply with a co-signer. If after reapplying with an endorser, the borrower is still denied, or the parent decides not to pursue an endorser, the student may receive additional Direct Unsubsidized loans up to the independent amount for the student’s grade level.

- **Appeal the credit decision**—allows the borrower to provide documentation to the Department of Education to prove extenuating circumstances that may override the initial credit decision. If after appealing the credit decision, the borrower is still denied or the parent decides not to appeal the credit decision, the student may receive additional Direct Unsubsidized loans up to the independent amount for the student’s grade level.

- **Do not pursue the Parent PLUS Loan**—the borrower acknowledges the denial of a Parent PLUS loan. Using this option allows the student to receive additional Direct Unsubsidized loans up to the independent amount for the student’s grade level.

- **Undecided**—NIU will offer the additional Direct Unsubsidized loans if this option is selected. NIU will be automatically notified if an endorser or credit appeal is approved at a later date and will make adjustments to the loans as necessary.

Based on the results of the credit check, we are unable to approve your request for a Direct PLUS Loan.

You may still be eligible to receive a Direct PLUS Loan.

To become eligible, you must:

- Obtain an endorser and complete PLUS Credit Counseling

OR

- Document extenuating circumstances to the satisfaction of the U.S. Department of Education and complete PLUS Credit Counseling.

All other eligibility requirements must also be met before your loan can be awarded and your school will tell you what loans, if any, you are eligible to receive.
