

Redefining the High School to College Transition in Illinois

March, 2015

Powerful Partnerships

Alignment ✦ Transitions ✦ Pathways

NECSS Partners

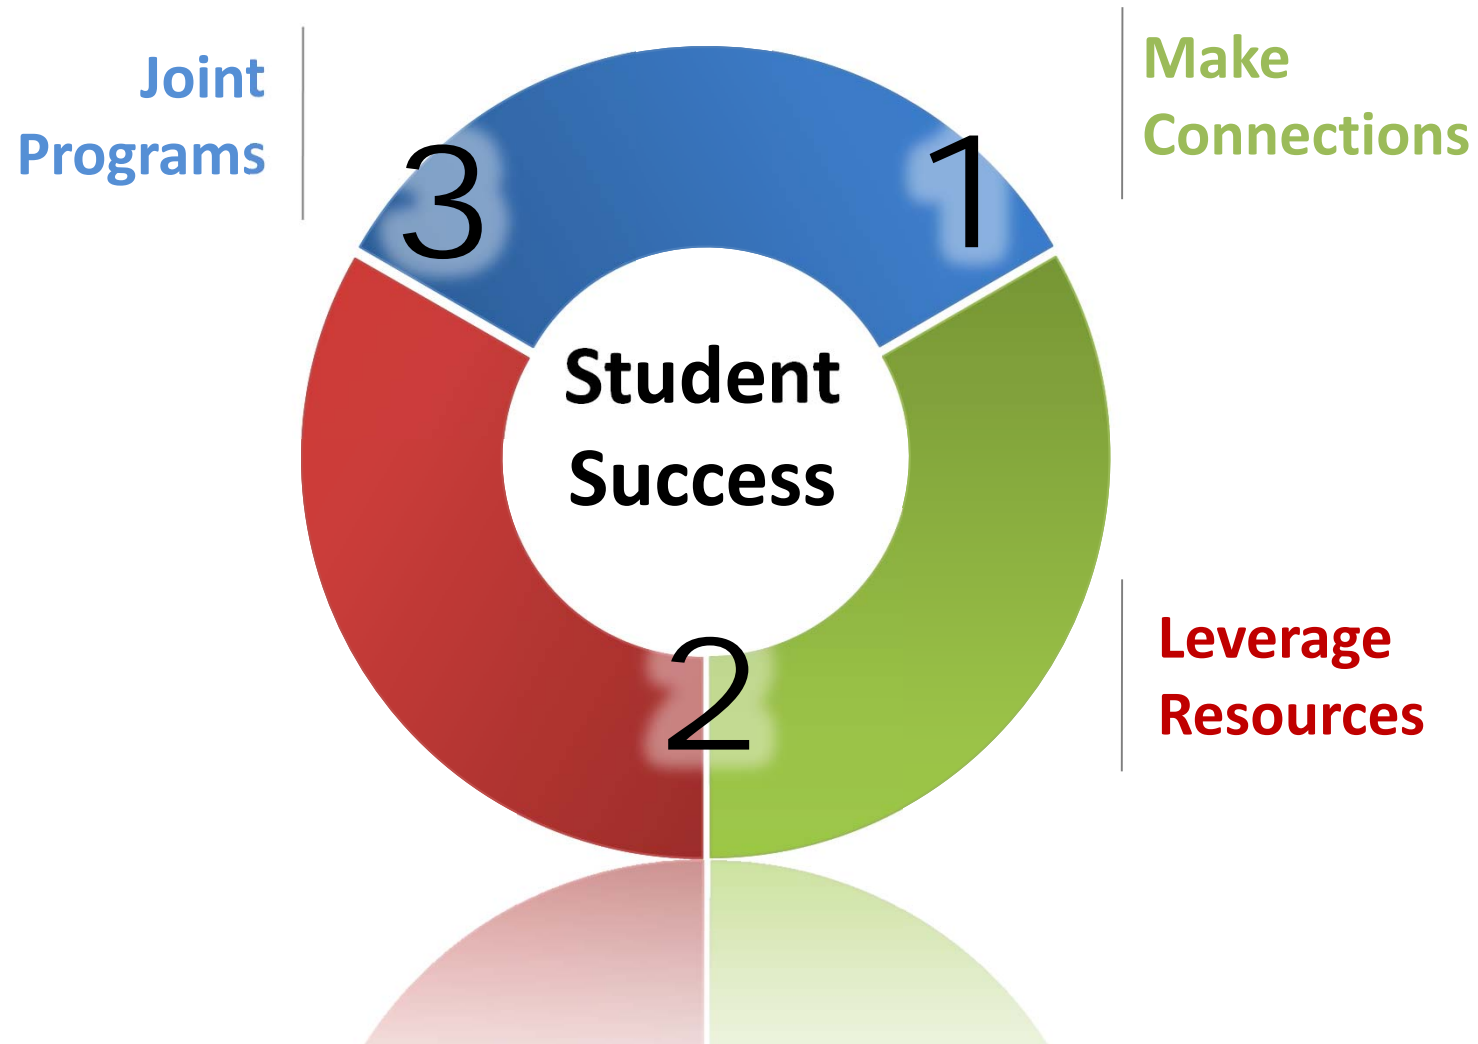

District 211

District 214

District 220

Harper College

Leveraging Expertise

Northwest Educational Council for Student Success

Partnership

Led by high school superintendents and community college president

Vision

To ensure that every high school and college graduate will have the opportunity to be prepared for 21st century careers and postsecondary readiness/success

Goals

Ensure curriculum alignment

- Increase % who begin college-ready
- Leverage resources
- Create pathways that lead to post-secondary credentials

Level of Partnership

- Board-approved Intergovernmental Agreement
- Guiding Document
- Data Sharing Agreement
- Career to transfer dual credit
- COMPASS testing/senior math course

High School Partnership Outcomes

- About 36.5% of district high school students earn Harper credits
- 27% increase in college-readiness in Math

Current Projects

- English Alignment
- PROMISE
- Power of 15

Partnering for Student Success

Alignment + Transitions + Pathways

Our Goal

10,604

Our Plan

Work in partnership
to ensure that
all students have
the opportunity
to be prepared for
21st century careers
