Morning exams begin at 9:00 a.m. and afternoon exams begin at 1:00 p.m. The number of hours for each final exam is normally equivalent to the number of credit hours for the course, but faculty members have discretion to determine the number of hours allowed for their exams and may require a shorter or longer exam time. **You may request a change in exam date only if there is a scheduling conflict in which two exams are scheduled on the same day or at least one exam is scheduled on each of three consecutive calendar days.**

*International Business Transactions and Workers’ Compensation will have take-home exams. Professors have discretion to make any other exam a take-home exam as well. Take-home exams may be scheduled by the professor for pick up no earlier than December 1, with a due date no later than December 16. If a course is not listed here, the professor has indicated there will likely be no in-class final exam, but to be certain you must check with your professor.*
