

**MATH 795-Written and Oral Communication in the
Mathematical Sciences
Cover Page/Grading Sheet**

Title of presentation: _____

Speaker's Name: _____ Date of presentation: _____

Student's Name: _____ Date of report: _____

----- **Student fills in the above part only** -----

Professor (doing the evaluation): _____

1. Demonstrates a breadth of knowledge of mathematics in general.

a. Superior b. Average c. Poor

Your comments (if any): _____

2. Makes an attempt to explore and relate to the scope of the presentation's content.

a. Superior b. Average c. Poor

Your comments (if any): _____

3. Shows adequate understanding of the presentation subject matter.

a. Superior b. Average c. Poor

Your comments (if any): _____

4. Demonstrates adequate ability to write the report in standard written English (use of narrative in mathematical exposition, appropriate formatting for theorems and definitions, correct grammar, spelling, punctuation and usage, etc.).

a. Superior b. Average c. Poor

Your comments (if any): _____

5. Overall rating of the report.

a. Satisfactory b. Unsatisfactory

Your comments (if any): _____

Professor's signature: _____ **Date:** _____

Please return this sheet along with the report to the Director of Graduate Studies.
