GA SUMMER TIPS
Fermin Luna

- Kick back and enjoy the nice summer nights with friends and family around a bonfire. There's nothing like hanging out with your loved ones roasting marshmallows around a fire.
- Buy tickets to a baseball game and go out and tailgate. This is a great way to enjoy the warm weather throughout the day.
- Take a trip to the city and relax on the beach with some friends. Make sure to bring lots of sunscreen!

Lori Korth

- Make a summer bucket list of things you've always wanted to do and make time to start checking those items off.
- Take this time to connect with friends and family. Do things on your summer bucket list together. Just take this time to reconnect after spending the last nine months studying.
- Summer is a great time to update your resume and have NIU Career Services take a look.

Angelia Faller

- Go boating or kayaking, whatever floats your boat! Lol
- Have a backyard BBQ with all your friends.
- See an outdoor movie.
- Spend time relaxing, summer is meant to have some fun in the sun!
Each month Assistant Director Jeff Salmon shares insights and thoughts with Post-Trad.

We have all arrived at the end of another academic year. I hope everyone was able to accomplish their goals inside the classroom and take part in impactful activities outside. Was there a favorite event attended? Did you get involved in a new organization? Did you take part in activity aimed at preparing you for career goals?

When I think of the past year, I can’t believe how it has flown by. We added three new GAs who were terrific. We had great turnout at all our programming throughout the year ending with our Celebration Ceremony. The Lounge moved to the Campus Life Building ushering in a new era that I hope students enjoy.

I’d like to congratulate all graduating seniors. It’s such a great accomplishment and I wish you all the best in the future. For returners, I hope to see you next at Start NIU on August 25 at 5:30 p.m. on the North Lawn of Adams.
