Final Exam (Wed. December 10, Noon-1:50 p.m.)

Problem Sets will be posted on www.niu.edu/brown every week, and they will be due one week later at the beginning of the class (not at the end of class). Late homework will be penalized 10% per day (however, Problem Sets # 3, 6, 9—the problem sets just before quizzes—and the final problem set will not be accepted late).

All quizzes and exams are closed book, and closed notes. Graphics Calculators and Cell Phones will not be allowed, only scientific calculators can be used.

Tentatively: All Problems Sets will make up 25% of the lecture grade
Each quiz “ “ 15% ” ”
Final Exam “ “ 30% “ “
Lecture grade will make up 75% of the final grade
Lab will make up 25% of the final grade

The lowest scoring Problem Set will not be counted towards the final grade.

There are Physics Tutors available in Faraday East Room 251
