NORTHERN ILLINOIS UNIVERSITY
MEN'S BASKETBALL HEAD COACH CONTRACT

ARTICLE I - PURPOSE

The BOARD OF TRUSTEES OF NORTHERN ILLINOIS UNIVERSITY ("University" or "NIU") and MARK MONTGOMERY ("Employee" or "Coach") have entered into this Employment Agreement ("Employment Agreement" or "Agreement") because the University desires to hire the Employee for a period of five (5) years subject to state law and University regulations and the Employee desires to serve as Head Coach of the Men’s Basketball Team and to serve the entire term of this Employment Agreement. Both parties acknowledge that a long-term commitment by the University and the Employee is critical to the University’s desire to operate a stable athletics program. The University and the Employee agree that head coaches of intercollegiate athletic teams at the University conduct their professional activities under circumstances unique in the family of University employees, including evaluation and scrutiny of team performances and individual academic achievement by the public and the media and control by external rules and regulations.

Furthermore, Northern Illinois University is committed to the academic as well as athletic success of its student athletics and as such requires that its intercollegiate sports program including its coaches are evaluated on the academic success of the student athletes as well as the individual team success and long term impact of the program. These circumstances justify a commitment to employment by the Employee and the University for periods longer than one year but less than a continuous appointment. The Employee is committed to both the academic and intercollegiate success of the University and desires to obtain employment with the University which is set forth in this Employment Agreement. For these reasons, the University has agreed to employ the Employee and the Employee has promised to be employed by the University.

ARTICLE II - CONFIDENTIALITY

This Employment Agreement is between the University and Employee and it cancels, replaces, and supersedes any and all prior employment agreements between these two parties. The parties agree to keep the terms and conditions of this Employment Agreement confidential and to refrain from disclosing the terms and conditions of this Employment Agreement without the advance permission of the other party, unless disclosure by the University is required by law.
Furthermore, it is understood and agreed that disagreements between the parties over any term or condition of this Employment Agreement shall be treated confidentially and that the parties and their representatives shall not publicize to third persons, other than immediate family or those participating directly in negotiations over the matter, the fact of a disagreement or its submission to arbitration. The parties further agree that they will not give access to or otherwise distribute this Agreement to anyone without prior written consent of the party hereto.

ARTICLE III - TERM

Subject to the terms and conditions of this Employment Agreement, the University will employ the Employee as head coach for the men’s basketball intercollegiate program for the period beginning April 1, 2011, and ending June 30, 2016.

NIU will not use the fact that the state procedures require one-year contracts as an artificial pretext to terminate the Employee’s employment before the five (5) years, two (2) months and twenty-nine (29) days or optionally extended period, or extension, has ended unless, of course, such reason would be exceptionally justified and incontestably acceptable to the parties hereto if the Illinois General Assembly does not continue its appropriation(s) for or the University cannot reasonably fund those operations of the University with which Employee will be involved.

The parties acknowledge that the University, as an agency of the State of Illinois, cannot legally obligate funds beyond the end of the current fiscal year, which is June 30, 2011. After that date, the understandings set forth in this Agreement are subject to the continuation of appropriations by the Illinois General Assembly for those operations of the University with which Employee will be involved and/or the funding available for Intercollegiate Athletics at Northern Illinois University.

In the event that the State of Illinois fails to make such funds available at the levels required under this Agreement, the University agrees that it shall offer Employee the option to continue as Men’s Basketball Head Coach of the University at the salary level determined by the Associate Vice President/Director of Intercollegiate Athletics. In the event Employee elects not to continue at the determined level, Employee shall be permitted to terminate this Agreement upon written notice to the University, and notwithstanding anything to the contrary contained herein, Employee shall not be required to pay the liquidated damages indicated in Article VIII, below. Furthermore, the University agrees that in such an event, it shall not offer the position of Men’s Basketball Head Coach to any individual at a salary that exceeds the determined level.

The parties further acknowledge that Board of Trustees regulations require a new contract for each fiscal year (i.e., beginning July 1) for all Faculty without Academic Rank (also referred to as members of the Supportive Professional Staff or “SPS”). All head coaches and members of coaching staffs are contractually classified as “temporary SPS employees” in the University system for human resources administration, with appropriately related employee benefits and privileges. Any salary increases for temporary SPS personnel in the Department of Intercollegiate Athletics are determined each year by
the Associate Vice President/Director of Intercollegiate Athletics and are contingent upon the availability of funds and the approval of the President or designee (it being agreed that Employee compensation will never be lowered by such determination; and can only be kept at the same level or raised). Nothing in this Agreement shall permit the University to assign Employee to any other job or responsibilities except the position as Men’s Basketball Head Coach of the University.

Employee will be eligible to receive the customary and ordinary fringe benefits available to all Temporary Supportive Professional Staff employees at the University and will be subject to all legal withholdings or deductions required by state or federal law or regulation.

The parties acknowledge that Employee’s primary obligations lie with the University and its students.

ARTICLE VIII - TERMINATION

A. Termination by the University.
In the event Employee accepts employment in any capacity with an employer other than the University (except as permitted under Article VI of this Agreement) or if Employee resigns, dies, or becomes permanently disabled to the extent that, in the judgment of the Director, Employee cannot satisfactorily perform the duties of Men’s Basketball Head Coach, this Agreement shall terminate and all obligations of the University to compensate Employee pursuant to this Agreement shall cease as of the date of such employment, resignation, death, or disability. The University shall be obligated to compensate Employee or Employee’s estate in accordance with this Agreement for services performed prior to the termination date and, in the event of disability or death, Employee or Employee’s estate shall be entitled to those benefits, if any, that are payable under any University sponsored group employee insurance or benefit plan in which Employee is enrolled.

(1.) This Agreement shall terminate automatically upon Employee’s death, or upon written notice from the University if Employee is unable to perform the duties of the position to which Employee is then assigned for a period of more than one hundred twenty (120) consecutive days, or if the NCAA finds Employee to have been involved in major (as defined by the NCAA), repetitive violations of NCAA rules and regulations (after all possible appeals and the like are exhausted).

(2.) Except for “just cause” reasons, should the University terminate this Agreement, the University will pay to the Employee a sum as full and complete liquidated damages therefore equal to 100% of the remaining base salary for the current contract year, 100% of the base salary for the immediately following contract year, and 50% of the entire base salary for each of the year(s) remaining in this Agreement or extensions thereof within ninety (90) days.

(3.) This Agreement and the aforementioned Notice of Appointment may be terminated upon written notice from the University at any time by the University for “just cause”. For purposes of this Agreement, “just cause” shall be defined as:

(a.) Material breach of this Agreement which remains uncured following five (5) business days after Employee’s receipt of written notice thereof from the University (including proposed steps for cure).

(b.) A violation of local, state or federal criminal law (constituting a felony or misdemeanor) resulting in Employee’s arrest while employed under this Agreement. This shall not include minor traffic violations.

(c.) Major violation by Employee of NCAA rules or regulations, as they may be amended from time to time (final judgment, following all possible appeals). Major violation by Employee of the rules or regulations of any athletic conference with which the University is affiliated (final judgment, following all possible appeals).

(e.) Moral turpitude as defined in the most recent edition of Black’s Law Dictionary.

B. Terminating Procedures.
Any termination for just cause during the course of a contract year shall be, without limitation, pursuant to University procedures and protections available to other employees of similar employee classification, rank and status.

C. Termination by Employee.
Employee recognizes and accepts that Employee’s promise to work for the University for the entire term of this multi-year Agreement is the essence of this Agreement with the University.

Employee also recognizes that the University is making a highly valuable investment in Employee’s continued employment by entering into this Men’s Basketball Head Coach Contract and that its investment would be lost were Employee to resign or otherwise terminate Employee’s employment with the University prior to fulfilling the terms of this Agreement. While recognizing these agreements and this entire Agreement, the parties agree that Employee may, nevertheless, voluntarily terminate Employee’s employment under this Men’s Basketball Head Coach Contract prior to its normal expiration, but only upon the following terms and conditions:

1. Should another coaching opportunity be presented to Employee or should Employee be interested in another coaching position during this Agreement, Employee must notify the University’s Associate Vice President/Director of Intercollegiate Athletics of such opportunity or interest in writing before any discussions can be held by Employee with the anticipated coaching-position principals.

2. If Employee chooses to resign before completion of Employee’s agreed term of service, the University would sustain losses or incur expenses including, but not limited to, the cost of a search for Employee’s replacement, a loss to the continuity and/or success of the program, and a loss to the program’s reputation. It is acknowledged that it is difficult, if not impossible, to determine the exact actual damages and, therefore, the parties agree that should the Employee terminate this Agreement at any time prior to June 30, 2016 or extensions of the original term, Employee will without further terms or conditions personally pay or cause to be paid by another on Employee’s behalf in lump sum without delay within 120 days of Employee’s resignation effective date to the employer University a sum equal to the applicable amount specified below. This payment will uncontestable and indisputably be as liquidated damages, in lieu of all other damages, and not as a penalty.

3. If Employee resigns Employee’s position as Men’s Basketball Head Coach at Northern Illinois University to become a Men’s Basketball Head Coach, associate or assistant coach or a senior administrator at another institution (College or University) or a Men’s Basketball Head...
Coach, associate or assistant coach with a professional league or team, Employee must inform that institution or organization of this provision and Employee’s one time amount payable to the University would be as follows:

- If Employee accepts another position prior to June 30, 2012: $800,000.
- If Employee accepts another position prior to June 30, 2013: $700,000.
- If Employee accepts another position prior to June 30, 2014: $600,000.
- If Employee accepts another position prior to June 30, 2015: $500,000.
- If Employee accepts another position prior to June 30, 2016: $400,000.

Once paid, such payment shall constitute University’s sole compensation and remedy. The University agrees to waive and hereby do waive any claim to punitive damages. In addition, the University agrees that you shall be permitted to terminate this Agreement upon written notice to the University in the event the University materially breaches this Agreement and fails to cure such material breach within a reasonable period of time but no longer than 90 days of its receipt of written notice from or on behalf of Employee specifying said material breach. In such an instance, no liquidated damages or other damages shall be payable by Employee whatsoever.

(4.) It is agreed that the provisions in this paragraph and elsewhere in this Agreement are fair and equitable and shall be considered neither a penalty nor a punishment.

D. Limitation of Damages for Terminations.

Except for automatic terminations defined in Article VIII of this Agreement, in the event of a termination by the University, with or without cause, damages which may be assessed against the University (or anyone connected with the University) shall not include loss of any collateral business opportunity, or of extra compensation (regardless of source) or any other benefits (whether contemplated by this Agreement or not) from any source outside the University. Nothing herein shall be deemed to be an acknowledgement that any damages whatsoever are available in the event the termination is for cause. Employee agrees to waive and hereby do waive any claim to punitive damages. Unless otherwise provided, nothing herein shall adversely affect or limit Employee’s right to claim damages based upon base salary, plus merit adjustments, which might be due for the remainder of the term of this Agreement or any extension thereof. Such amount shall be considered liquidated damages, in lieu of all other forms of damages or expenses, and the parties agree that Employee’s acceptance thereof shall constitute adequate and reasonable compensation to Employee for all damages, expenses and/or injury suffered by Employee because of said termination by the University. In no case shall the University be liable for the loss of any collateral business opportunities or any other benefits, perquisites or income resulting from activities such as, but not limited to, sport camps, clinics, media appearances, apparel or shoe contracts, consulting relationships, or from any other sources that may ensue as a result of the University’s termination of this Agreement. The foregoing is not, nor shall it be construed to be, a penalty.
ARTICLE IX - STANDARD OF CONDUCT

The employment and performance of Employee is subject to the Policies and the Rules and Regulations of the Board of Trustees of Northern Illinois University, the institutional rules of the University, the Constitution and Bylaws of the National Collegiate Athletic Association, and the Constitution and Rules of any intercollegiate athletic conference of which the University is a member. FIRST AMENDMENT TO MEN’S BASKETBALL HEAD COACH CONTRACT

This First Amendment to Men’s Basketball Head Coach Contract [“Employment Agreement”] is made and entered into this 15th day of April, 2014, by and between The BOARD OF TRUSTEES OF NORTHERN ILLINOIS UNIVERSITY (”University” or “NIU”) and MARK MONTGOMERY (“Employee” or “Coach”).

WHEREAS, the University and the Employee entered into that certain Employment Agreement on March 26, 2012; and

WHEREAS, the parties wish to amend said Employment Agreement;

NOW, THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth, the parties hereto mutually agree as follows:

1. Article III of that certain Employment Agreement shall be deleted in its entirety, and the following shall be substituted in its place:

Subject to the terms and conditions of this Employment Agreement, the University will employ the Employee as head coach for the men’s basketball intercollegiate program for the period beginning April 1, 2011, and ending June 30, 2018.

NIU will not use the fact that the state procedures require one-year contracts as an artificial pretext to terminate the Employee’s employment before June 30, 2018 or any optionally extended period, or extension, has ended unless, of course, such reason would be exceptionally justified and incontestably acceptable to the parties hereto if the Illinois General Assembly does not continue its appropriation(s) for or the University cannot reasonably fund those operations of the University with which Employee will be involved.

The parties acknowledge that the University, as an agency of the State of Illinois, cannot legally obligate funds beyond the end of the current fiscal year, which is June 30, 2014. After that date, the understandings set forth in this Agreement are subject to the continuation of appropriations by the Illinois General Assembly for those operations of the University with which Employee will be involved and/or the funding available for Intercollegiate Athletics at Northern Illinois University.

In the event that the State of Illinois fails to make such funds available at the levels required under this Agreement, the University agrees that it shall offer Employee the option to continue as Men’s Basketball Head Coach of the University at the salary level determined by the Associate Vice President/Director of Intercollegiate Athletics. In the event Employee elects not to continue at the determined level, Employee shall be permitted to terminate this Agreement upon written notice to the University, and
notwithstanding anything to the contrary contained herein, Employee shall not be required to pay the liquidated damages indicated in Article VIII, below (or any other damages, whatsoever). Furthermore, the University agrees that in such an event, it shall not offer the position of Men’s Basketball Head Coach to any individual at a salary that exceeds the determined level.

The parties further acknowledge that Board of Trustees regulations require a new contract for each fiscal year (i.e., beginning July 1) for all Faculty without Academic Rank (also referred to as members of the Supportive Professional Staff or “SPS”). All head coaches and members of coaching staffs are contractually classified as “temporary SPS employees” in the University system for human resources administration, with appropriately related employee benefits and privileges. Any salary increases for temporary SPS personnel in the Department of Intercollegiate Athletics are determined each year by the Associate Vice President/Director of Intercollegiate Athletics and are contingent upon the availability of funds and the approval of the President or designee (it being agreed that Employee compensation will never be lowered by such determination; and can only be kept at the same level or raised). Nothing in this Agreement shall permit the University to assign Employee to any other job or responsibilities except the position as Men’s Basketball Head Coach of the University. Employee will be eligible to receive the customary and ordinary fringe benefits available to all Temporary Supportive Professional Staff employees at the University and will be subject to all legal withholdings or deductions required by state or federal law or regulation.

2. Article VIII(A)(2) of that certain Employment Agreement shall be deleted in its entirety, and the following shall be substituted in its place:

   Except for “just cause” reasons, should the University terminate this agreement, the University will pay to the Employee a sum as full and complete liquidated damages therefore equal to 100% of the remaining base salary for the current contract year, 100% of the base salary for the immediately following contract year, and 25% of the entire base salary for each of the year(s) remaining in this Agreement or extensions thereof within ninety (90) days.

3. Article VIII(C)(2) of that certain Employment Agreement shall be deleted in its entirety, and the following shall be substituted in its place:

   If Employee chooses to resign before completion of Employee’s agreed term of service for the purposes of accepting a position as described in Article VIII(C)(3), the University would sustain losses or incur expenses including, but not limited to, the cost of a search for Employee’s replacement, a loss to the continuity and/or success of the program, and a loss to the program’s reputation. It is acknowledged that it is difficult, if not impossible, to determine the exact actual damages and, therefore, the parties agree that should the Employee terminate this Agreement at any time prior to June 30, 2018 or extensions of the original term, Employee will without further terms or conditions personally pay or cause to be paid by another on Employee’s behalf in lump sum without delay within 90 days of Employee’s resignation effective date to the employer University a sum equal to the applicable amount specified below. This payment will be uncontestable and indisputably be as liquidated damages, in lieu of all other damages, and not as a penalty.

4. Article VIII(C)(3) of that certain Employment Agreement shall be deleted in its entirety, and the following shall be substituted in its place:

If Employee resigns Employee’s position as Men’s Basketball Head Coach at Northern Illinois University to become a Men’s Basketball Head Coach, associate or assistant coach or a senior administrator at another institution (College or University) or a Men’s Basketball Head Coach, associate or assistant coach with a professional league or team, Employee must inform that institution or organization of this provision and Employee’s one time amount payable to the University would be as follows:

- If Employee accepts another position prior to June 30, 2014: $600,000.
- If Employee accepts another position prior to June 30, 2015: $500,000.
- If Employee accepts another position prior to June 30, 2016: $400,000.
- If Employee accepts another position prior to June 30, 2017: $300,000.
- If Employee accepts another position prior to June 30, 2018: $200,000.

Once paid, such payment shall constitute University's sole compensation and remedy. If Employee resigns for any other reason, no payment of liquidated damages or other damages is required. The University agrees to waive and hereby do waive any claim to punitive damages. In addition, the University agrees that you shall be permitted to terminate this Agreement upon written notice to the University in the event the University materially breaches this Agreement and fails to cure such material breach within a reasonable period of time but no longer than 90 days of its receipt of written notice from or on behalf of Employee specifying said material breach. In such an instance, no liquidated damages or other damages shall be payable by Employee whatsoever.
In all other respects the terms and conditions of that certain Employment Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have hereunto set their hands the day and year first above written.
