

TREAT YOUR MASK LIKE UNDERWEAR.

You're not fully dressed without it.

- **Wear it out of respect for others.**
- **Fit matters. It should be tight, yet comfortable.**
- **Cover up. It should fit over your nose and mouth.**
- **Keep it clean. Wash it daily, or as needed.**
- **Do not touch or adjust it. Especially in public.**
- **It's personal. Do not borrow or lend it to others.**
- **Keep it in good condition. If it's damaged, get a new one.**
- **Keep it on in shared spaces. Only remove it when you are alone and in a private space.**
