XII. ADJOURNMENT
RSB Activity Report
Faculty Senate Meeting, Feb. 20, 2019
University Council meeting, Feb. 27, 2019

RSB Meeting Jan. 11, 2019

1. President Freeman attended this meeting to answer questions and discuss issues brought forward by the RSB committee and their constituents. Additionally, President Freeman announced the upcoming release on January 14th, 2019 of the Strategic Enrollment Management Plan. The plan states the goal for stabilizing NIU’s enrollment at 17K to 18K over the next several years. To accomplish this goal, addresses several key objectives: the need for growth in the diversity of student enrollment, investment in student retention including advising, closing achievement gaps that exist among NIU’s diverse student body, and expanding online programming with aligned investment. The BOT has authorized $20M to develop and expand online curricula for several programs.

2. A draft of an RSB proposed resolution on the redirection of the IBHE’s proposed $25M allocation to non-public higher education institution to the Monetary Award Program was presented to committee members for review. Reference to the Student Body Association in support was added to the resolution. The resolution was drafted at the request of President Freeman and will be presented to the UC meeting on Feb. 27th, pending developments and additional information in the interim.

3. CFO and Vice President McGill provided the following information: NIU is within budget targets for FY19 due to units working within their budgets and some internal trade-offs such as investment in facilities. It was noted that these trade-offs are not sustainable. Due to larger classes continuing to graduate coupled with lower enrollment figures less tuition dollars will be received and for FY20 an approximate $2.4M budget gap on this front is anticipated.

   Additionally, CFO McGill identified several investment themes that are being undertaken:
   a. Enrollment-recruitment and retention $5-6M
   b. AIM HIGH Scholarship commitment $2-3M
   c. Salary increments $6-7M
   d. Northern Illinois Center for Community Sustainability (NICCS) $1-2M
   e. GA stipends $1M

These investment themes represent a $15-20M budget gap, which leads to a consideration of multi-year budgeting over 3 years (FY20-F&22). The administration will be working with division leadership and shared governance to develop a 3-year budget plan.

4. Other issues raised and discussed: 1) concerns about physical plant support were raised and addressed—there is a plan being developed to invest 2-3% of facilities replacement value; 2) concerns about faculty investment and hiring were raised—it was noted that the hiring process will likely unfold on the same timeline as last year, there may be adjustments mad to the process once there is a permanent provost on board and current budget discipline is allowing for faculty investment; and 3) concern about the NICCS effort competing with other initiatives was raised—it was noted that communication on this topic will be improved.
5. President Freeman brought up several points that include the increasing capital improvements, the possibility of a capital campaign, taking some buildings offline and possibly leasing, and NIU taking advantage of NIU’s location within an economic development zone.

6. Next Steps: Budget planning will be launched in January with details to be worked out through February. Leadership, the Executive Budget Committee, and shared governance members will then convene to make recommendations for FY20 – FY22 to the President.

RSB Meeting Feb. 1, 2019

1. President Freeman and Acting Provost McCord attended this meeting to answer questions and concerns raised by RSB committee members and their constituents. Because of the cancellations of FS and UC meetings Acting Provost McCord will present details about the Strategic Enrollment Management Plan/Online Initiative at the Feb. 20th FS meeting. Points to be discussed will be state funding, enrollment trends, and the enrollment plan that the SEMP/Online Initiative is intended to address. (The details can be found in the RSB minutes.)

2. Comments:
   a. It was noted that there is historical skepticism among faculty over large initiatives, but not doing anything is worse.
   b. Appreciation was noted for the support that the Office of Diversity, Equity and Inclusion in their support in bringing certain candidates to campus.
   c. The issue of control over online course content and intellectual property was raised with the proposed contract with Wiley.
   d. Acting Provost McCord offered clarifications and described aspects concerning the Online Initiative with Wiley: 1) NIU will retain control over the course content, delivery, and technology, and instructor’s course content remains the their intellectual property; 2) Wiley’ marketing will be better able to target potential students; 3) there will be no outsourcing of staff; 4) the $20M is for Wiley is what NIU is authorized to spend—it will be closer to $7M; 5) It is estimated that a realistic return will be $2.50 gross on a $1.00 investment; 6) there may be some unforeseen obstacles to the Initiative such as the state requirement for licensure on online nursing programs; 7) there will be emphasis on marketing ensembles of online programs (e.g., with health and business programs); and 8) programs marketed by Wiley will have differential tuition.
   e. It was noted by an RSB committee member that a comprehensive FAQ on the enrollment plan and Wiley contract have been posted (https://niu.edu/enrollment-plan/wiley-faq.shtml).

3. President Freeman’s comments: Summarizing, President Freeman noted that the upcoming budget process will be more intentional than aspirational. Rather than being reactive on a year-to-year basis the upcoming budget plan will be more proactive and independent over three years.
4. Budget Planning Discussion:
   a. Budget planning process has begun starting with FY20 and projecting to FY23, identifying what we will need which includes investments on facilities, initiatives, financial aid, etc.
   b. The gap between revenues and investments will need to be addressed structurally and consistently over the course of several years.
   c. No rescissions are projected for this FY. The focus will be beyond FY20—a tendency to over-project revenues has been identified.
   d. Faculty, staff, and Gas will have incremental salary increases going forward.
   e. It was commented that the Wiley contract has staff incremental raises built-in. However, it was noted by Provost McCord that costs with Wiley will go down, since there are one-time start up costs. The increase in revenue from the Online Initiative will lead to the ability to fund salary increases at NIU.

5. Responses to Questions for Discussion:
   a. An update on the HR working group was provided (C. McCord). A survey of those involved in hiring processes has been circulating. The response rate has been good. The survey will provide evidence on what needs to be changed. After analysis, the results will be presented to the leadership forum in March.
   b. (President Freeman) There have been challenges in the conversion of SPS to Civil Service positions. This especially true for high-level research positions that aren't faculty. Opportunities for solutions have been identified but have not been implemented yet.
   c. (Acting Provost McCord). Clarification on the maximum tuition waiver was also provided. A tuition waiver for an employee is available up to 8 credits. An employee needs permission from their supervisor for taking 6 credits. There is a rumor that some employees are receiving waivers for taking more than 8 credits. A list has been generated of those employees taking more than 8 credits and will be compared to the list at the bursar's office to see if employees are paying for credits over 8. The current policy is that employees should not be receiving waivers for taking more than 8 credits. However, it was noted that it is sometimes hard to distinguish between an employee and a student.
This proposed amendment is intended to:

- Amend the initial term for the ombudsperson to six years, with four-year subsequent terms bringing it into alignment with the term structure of NIU’s other administrative positions.

- Combine the comprehensive performance review process with the evaluation of the need for the ombudsperson position, both to be completed during the penultimate year of the ombudsperson’s term. Annual performance reviews will be conducted by the president.

- Rename and restructure the Ombudsperson Search and Review Committee.

- Require annual written reports from the ombudsperson. Oral reports to the University Council are welcome, but not required.

1. Instruction in the fall semester will begin on the last Monday in August and end on a Saturday in December that falls between December 5 and 11. Final examinations for the fall semester will begin on the first Monday after the last day of classes and conclude on Saturday of that same week. Dates for the first day of examinations will range from December 8 to 14.

If the last Monday in August is August 29, 30 or 31, the instruction for that fall semester will begin on the fourth Monday in August and conclude on the first Saturday in December. In any of these events, final examinations will run from December 5 to 10, December 6 to 11, or December 7 to 12, respectively. Graduate commencement will be held on the Saturday that is the last day of final examination week. Undergraduate commencement will be held on the next day, which is the Sunday immediately following final examination week.

2. Instruction in the spring semester will begin on the second or third Monday in January that falls between January 11 and 17, unless this date coincides with Martin Luther King Jr.’s birthday (the third Monday in January). In such an event, instruction will begin on the Tuesday following Martin Luther King Jr.’s birthday. The spring semester will conclude on a Thursday that falls between April 30 (April 29 in some leap years) and May 6. The Friday immediately after the last day of classes will be Reading Day.

University Honors Day will be included in the academic calendar so as to occur each spring on the second Sunday prior to Reading Day (two weeks before the end of the spring semester). In those years when this date is also Easter Sunday, University Honors Day will be scheduled on the third Sunday prior to Reading Day.

Final examinations for the spring semester will begin on the first Saturday after Reading Day and continue Monday through Friday of the next week. Graduate commencement will be held on the Friday that is the last day of final examination week. Undergraduate commencement will be held on the next day, which is the Saturday immediately following final examination week.

3. Fall and spring semesters will formally begin one week prior to the beginning of classes and conclude within one week after final examinations. When classes start on Monday, August 22, faculty meeting week will be adjusted to take place from Tuesday to Friday, August 16 to 19, in order to comply with nine-month faculty contracts (which begin August 16 and conclude May 15).

4. Summer session will begin on the sixth Monday after final examinations of the spring semester and conclude on a Sunday, eight weeks later. Some academic departments may offer limited enrollments in workshops, field trips, or other classes during the four weeks prior to the traditional start of the summer session.

5. Student-faculty vacation periods and holidays will include:
Thanksgiving – the Wednesday prior to the fourth Thursday through Sunday

Period between Christmas and New Years – university usually closed

Martin Luther King Jr.’s birthday – the third Monday in January

Spring recess – the ninth week after the beginning of classes, Sunday - Sunday

Memorial Day – observed the last Monday in May

Independence Day – one day only, observed on Friday when July 4 occurs on Saturday and observed on Monday when July 4 occurs on Sunday

Labor Day – the first Monday in September

6. The academic calendar for the College of Law will conform to the student-faculty vacation periods and holidays in section 5, as amended from time to time, but may otherwise vary from the above guidelines and principles.

These guidelines will provide the necessary 35 days between the end of pre-registration in the fall and the first day of registration in the spring; provide the requested one-week recess between the end of the summer session and the first contract day for faculty in the fall; and allow early access to the summer job market in May for NIU students.

Proposed Amendment to
NIU Constitution Article 6.5: Administrative Committees

Rationale:

A challenge from a community member has revealed that the University’s Constitution and Bylaws contain outdated and unclear language that needs to be addressed. This community member believes that the Senior Leadership Roundtable should be subject to the Illinois Open Meetings Act and is using the fact that the Constitution and Bylaws list the “President’s Staff” as an administrative committee as a basis for their argument. In addition, it appears that this community member believes that any entity (i.e., committees, sub-committee, etc.) listed in the NIU Constitution and Bylaws should be considered a “public body” under the Open Meetings Act.

The “President’s Staff” is not currently a functioning committee of the University, as there is no such committee that makes policy recommendations to the University Council, or that serves as a liaison body between the administrative divisions and their constituent parts, as described in the Constitution and Bylaws. In addition, it appears that no other Illinois public university has a reference to the equivalent of the “President’s Staff” in their constitutions or other governing documents. Therefore, the language in the Constitution and Bylaws is out-of-date and non-operational. These proposed changes are intended to remove this outdated language and provide more clarity.

President Freeman holds informal staff meetings with members of the senior leadership – these meetings are known as the Senior Leadership Roundtable. These meetings are usually held on a weekly basis, depending on the schedule of the president and other considerations. The members of the Senior Leadership Roundtable are determined at the direction of the president. Additionally, the Senior Leadership Roundtable is not formally appointed by, report to, or otherwise accountable to the University Council, or any other public body of the state. The Senior Leadership Roundtable’s sole function is to advise the president on matters pertaining to internal university affairs. As such, the Senior Leadership Roundtable is not the same as the “President’s Staff.”

Therefore, removal of the “President’s Staff” from the Constitution and Bylaws is appropriate in order to (1) eliminate references to a committee that does not currently function at NIU, to (2) remove the confusion between the Senior Leadership Roundtable and the “President’s Staff,” and (3) would be more compatible with governing documents from similarly situated universities in the state of Illinois.

6.5 Administrative Committees

Rationale:

A challenge from a community member has revealed that the University’s Constitution and Bylaws contain outdated and unclear language that needs to be addressed. This community member believes that the Senior Leadership Roundtable should be subject to the Illinois Open Meetings Act and is using the fact that the Constitution and Bylaws list the “President’s Staff” as an administrative committee as a basis for their argument. In addition, it appears that this community member believes that any entity (i.e., committees, sub-committee, etc.) listed in the NIU Constitution and Bylaws should be considered a “public body” under the Open Meetings Act.

The “President’s Staff” is not currently a functioning committee of the University, as there is no such committee that makes policy recommendations to the University Council, or that serves as a liaison body between the administrative divisions and their constituent parts, as described in the Constitution and Bylaws. In addition, it appears that no other Illinois public university has a reference to the equivalent of the “President’s Staff” in their constitutions or other governing documents. Therefore, the language in the Constitution and Bylaws is out-of-date and non-operational. These proposed changes are intended to remove this outdated language and provide more clarity.

President Freeman holds informal staff meetings with members of the senior leadership – these meetings are known as the Senior Leadership Roundtable. These meetings are usually held on a weekly basis, depending on the schedule of the president and other considerations. The members of the Senior Leadership Roundtable are determined at the direction of the president. Additionally, the Senior Leadership Roundtable is not formally appointed by, report to, or otherwise accountable to the University Council, or any other public body of the state. The Senior Leadership Roundtable’s sole function is to advise the president on matters pertaining to internal university affairs. As such, the Senior Leadership Roundtable is not the same as the “President’s Staff.”

Therefore, removal of the “President’s Staff” from the Constitution and Bylaws is appropriate in order to (1) eliminate references to a committee that does not currently function at NIU, to (2) remove the confusion between the Senior Leadership Roundtable and the “President’s Staff,” and (3) would be more compatible with governing documents from similarly situated universities in the state of Illinois.
