Degrees with Distinction

A student must have completed at least 60 semester hours of work at NIU to be eligible for graduation with distinction. Grade point averages are computed on the basis of all NIU courses attempted during those semesters which include in the last 45 hours of work completed at NIU.

Degrees with distinction are awarded as follows, dependent on a student’s GPA at the time of graduation: summa cum laude, 3.90 through 4.00; magna cum laude, 3.75 through 3.899; cum laude, 3.50 through 3.749.

Students who have completed the requirements of the University Honors Program will be graduated “With University Honors,” with the respective distinction of either “Full University Honors,” or “Associate University Honors.”

COLLEGE OF BUSINESS

College Mission Statement

Create innovative academic and business experiences through partnerships among students, faculty, staff, alumni, and the business community. Create knowledge; transform business; and develop principled, adaptable global citizens through innovative active learning and personalized experiences.

R.N.-B.S. in Nursing Completion Option

Registered nurses who graduated within the past five years ago from a nursing program will automatically be granted the appropriate number of escrow credits provided they have practiced as a registered nurse within the past five years. Registered nurses who graduated more than five years ago who have not practiced as a registered nurse within the past five years will need to demonstrate competency through successful completion of the Regents Examinations for Medical-Surgical Nursing, Psychiatric Mental Health Nursing, and Pediatric and Obstetrical Nursing provide evidence of a refresher course. RNs who must take a refresher course may be provisionally admitted to the nursing program, but may only complete a maximum of 6 credit hours until fully admitted. In order to receive a baccalaureate degree...
