Advancing College Access and Affordability in Today's Global Economy

A University Dialogue

Please join a panel of college and university stakeholders, policymakers and education companies for a roundtable discussion about lowering the costs of digital course materials and improving student success. Bring questions and ideas to inform the conversation.

Invited participants include:
- faculty
- college and university administrators
- librarians
- students
- bookstore managers
- state and local policymakers
- education companies

November 21, 2019
3:00pm to 5:00pm
DePaul Center | DePaul University
Chicago, IL
