Other Catalog Change

Pages 191 and 195, 2017-18 Undergraduate Catalog

Note: The highlighted programs below are not new. They are being moved from the college section.

**Minor in Gerontology (18-19)**

The gerontology program is an interdisciplinary program that fosters educational, research, and service activities pertinent to aging. The program offers an interdisciplinary undergraduate minor and an interdisciplinary certificate of undergraduate study. The gerontology minor and certificate allow students to integrate current knowledge and research on adulthood and aging into their degree programs.

**Requirements (18-19)**

A degree-program student must apply to the gerontology program. Students must complete a minimum of 18 semester hours with at least 15 semester hours from the primary content area. Credit hours applied to satisfy the requirements for a major may be counted again as satisfying the requirements for this minor.

**Primary Content Area (15-16)**

~~GERO 365 - Overview of Gerontology (3)Credits: 3-~~

~~HSCI 310 - Introduction to Health and Human Sciences Credits: 3 (3)~~

~~Three of the following (9-10)~~
