**Leadership in Aging Services (18)**

~~Certificate of Graduate Study~~

This interdisciplinary certificate prepares students for leadership positions within the senior housing and healthcare industry, including long-term care administration. With satisfactory completion of undergraduate course work in accounting and these courses related to laws and regulations concerning long term care, the aging process, and administrative and financial aspects of operation, students meet course work requirements for the examination required to be licensed as a Nursing Home Administration in Illinois. A student wishing to pursue this certificate must apply to the College of Health and Human Sciences.

**Primary Content Area (12)**

HDFS 565 - Theories and Issues in Aging Studies (3)  
GERO 568 - Leadership in Aging Services (3)  
PHHE 533 - Principles of Long-Term Care Administration (3)  
PHHE 653 - Financial Decision Making for Health Services Managers (3)  
**Choose two of the following (6)**  
GERO 567 - Fieldwork in Gerontology (3)  
HDFS 586 - Aging and the Family (3)

Formatted: Superscript
