## XII. ADJOURNMENT

**D. Valentin** moved to adjourn, seconded by **N. Johnson**. Motion passed.

Meeting adjourned at 4:07 p.m.

## **Proposal to amend Guidelines and Principles for Establishment of the Academic Calendar**

Clarification of SB2123 from Illinois State Senate staff has revealed that the holiday language relative to Illinois general election day does not apply to colleges and universities. As a result, reference to this leave day in item 5, student-faculty vacation periods and holidays, is proposed to be removed, in order to align with Illinois state law.

### **GUIDELINES AND PRINCIPLES FOR ESTABLISHMENT OF THE ACADEMIC CALENDAR**

1. Instruction in the fall semester will begin on the last Monday in August and end on a Saturday in December that falls between December 5 and 11. Final examinations for the fall semester will begin on the first Monday after the last day of classes and conclude on Saturday of that same week. Dates for the first day of examinations will range from December 8 to 14.

If the last Monday in August is August 29, 30 or 31, the instruction for that fall semester will begin on the fourth Monday in August and conclude on the first Saturday in December. In any of these events, final examinations will run from December 5 to 10, December 6 to 11, or December 7 to 12, respectively. Graduate commencement will be held on the Saturday that is the last day of final examination week. Undergraduate commencement will be held on the next day, which is the Sunday immediately following final examination week.

2. Instruction in the spring semester will begin on the second or third Monday in January that falls between January 11 and 17, unless this date coincides with Martin Luther King Jr.'s birthday (the third Monday in January). In such an event, instruction will begin on the Tuesday following Martin Luther King Jr.'s birthday. The spring semester will conclude on a Thursday that falls between April 30 (April 29 in some leap years) and May 6. The Friday immediately after the last day of classes will be Reading Day.

University Honors Day will be included in the academic calendar so as to occur each spring on the second Sunday prior to Reading Day (two weeks before the end of the spring semester). In those years when this date is also Easter Sunday, University Honors Day will be scheduled on the third Sunday prior to Reading Day.

Final examinations for the spring semester will begin on the first Saturday after Reading Day and continue Monday through Friday of the next week. Graduate commencement will be held on the Friday that is the last day of final examination week. Undergraduate commencement will be held on the next day, which is the Saturday immediately following final examination week.

3. Fall and spring semesters will formally begin one week prior to the beginning of classes and conclude within one week after final examinations. When classes start on Monday, August 22, faculty meeting week will be adjusted to take place from Tuesday to Friday, August 16 to 19, in order to comply with nine-month faculty contracts (which begin August 16 and conclude May 15).
4. Summer session will begin on the sixth Monday after final examinations of the spring semester and conclude on a Sunday, eight weeks later. Some academic departments may offer limited enrollments in workshops, field trips, or other classes during the four weeks prior to the traditional start of the summer session.
5. Student-faculty vacation periods and holidays will include:

~~Election Day – during years when a general election is held (every two years), occurring on the Tuesday next after the first Monday in the month of November, within November 2 to November 8.~~

Thanksgiving – the Wednesday prior to the fourth Thursday through Sunday

Period between Christmas and New Years – university usually closed

Martin Luther King Jr.'s birthday – the third Monday in January

Spring recess – the ninth week after the beginning of classes, Sunday - Sunday

Memorial Day – observed the last Monday in May

Juneteenth – one day only, observed on Friday when June 19 occurs on Saturday and observed on Monday when June 19 occurs on Sunday

Independence Day – one day only, observed on Friday when July 4 occurs on Saturday and observed on Monday when July 4 occurs on Sunday

Labor Day – the first Monday in September

6. The academic calendar for the College of Law will conform to the student-faculty vacation periods and holidays in section 5, as amended from time to time, but may otherwise vary from the above guidelines and principles.

These guidelines will provide the necessary 35 days between the end of pre-registration in the fall and the first day of registration in the spring; provide the requested one-week recess between the end of the summer session and the first contract day for faculty in the fall; and allow early access to the summer job market in May for NIU students.

*Approved by the University Council April 12, 1978; revised and approved on May 2, 1979; revised and approved on May 2, 1984; revised and approved on March 9, 1988; revised and approved March 20, 1996; revised and approved March 18, 1998; revised and approved February 12, 2003; revised and approved February 16, 2011; revised and approved February 22, 2012; revised and approved April 3, 2013; revised and approved by Faculty Senate February 23, 2022.*

## **Proposal to Amend Selected Academic Calendars**

### **Academic Calendar for 2023-24**

The NIU 2024 holiday schedule includes the Independence Day holiday on Thursday, July 4, 2024, and an administrative closure day on Friday, July 5, 2024.

In order to align with the NIU 2024 holiday schedule, it is proposed to add the administrative closure day of Friday, July 5, 2024, to the 2023-24 academic calendar.

While most summer session classes do not typically meet on Friday, there are some, particularly cohort programs, that do meet on Friday. As a result, the advice is to amend the 2023-24 academic calendar to avoid potential confusion.

### **Academic Calendars for 2024-25, 2026-27, 2028-29, 2030-31, 2032-33**

Clarification of SB2123 from Illinois State Senate staff has revealed that the holiday language relative to Illinois general election day does not apply to colleges and universities. As a result, this leave day (currently approved for the academic years noted) is proposed to be removed, in order to align with Illinois state law.
