Discussion of Committee Responsibilities and Composition
McEvoy introduced John, Sarah and Lesley and gave a brief description of the UCPC and the purpose of this sub-committee. John, Sarah and Leslie introduced themselves and identified their roles on campus. McEvoy requested input on the UCPC’s role. Borg reflected if there is a need for this committee. Staff and Civil Service sabbaticals was discussed. It is possible that this committee does not have a defined role and possibly could be combined with another committee.
