RE: Disclosures of Foreign Gifts and Contracts
    Reporting Period - January 1, 2022-June 30, 2022

Dear Colleagues:

Section 117 of the Higher Education Act requires institutions of higher education receiving Federal
funding to file reports twice a year with the U.S. Department of Education (ED) disclosing any gifts from
or contracts with “foreign sources” with an aggregate value of $250,000 or more in a calendar year.
Where gifts or contracts are “conditional,” Section 117 calls for providing additional disclosures about
the nature of the conditions.

As a way of background, Congress first included this reporting requirement of Section 117 in 1986, but
never released regulations to implement this statute; however, the issue of foreign influence on
universities came into the spotlight in 2018 in relation to national security concerns with foreign
companies and foreign governments. ED then began swift enforcement action in response to the
heightened tensions with other nations, and as part of that effort, it sent letters to a number of
institutions reminding them of the general requirements of Section 117.

Given the increased awareness at our institution regarding the influence of foreign nations and the need
for transparency relating to foreign gifts and contracts from entities affiliated with such governments,
NIU needs to take steps to be in compliance with Section 117, and that we are comprehensively,
carefully reviewing and accurately reporting all gifts it has received from, and contracts it has entered
with, foreign individuals and entities as required by 10 U.S.C. §1011f (Section 117).

NIU is compiling a list of all foreign gifts and contracts with a value of $250,000 or more, considered
alone or in combination with all other gifts from or contracts with that foreign source. Our current
reporting period is from January 1, 2022 through June 30, 2022. NIU’s report will be submitted to ED
on July 31, 2022 as evidence of our university’s compliance with Section 117.
Please complete the attached spreadsheet with the requested information and include a copy of the
document(s) referenced on the spreadsheet. If you do not have any foreign gifts or contracts to report,
please indicate “N/A.” To aid in your review, below is a guide to help you in determining whether or not
a gift/contract would meet the statutory threshold for reporting.

I would request that once all relevant information has been gathered, you provide those documents and
communications to the Office of General Counsel no later than Wednesday, July 27, 2022. You can send
these items to:

Carrie Weeks Kinowski
Office of General Counsel

If you have any questions or concerns, please do not hesitate to contact me at bperry3@niu.edu.

GUIDE TO REPORTING A FOREIGN GIFT AND/OR CONTRACT

Requirements and Procedures for Compliance with Section 117.

A. Section 117 Requirements

(a) DISCLOSURE REPORT. Whenever any institution is owned or controlled by a foreign source or receives a gift from or enters into a contract with a foreign source, the value of which is $250,000 or more, is considered alone or in combination with all other gifts from or contracts with that foreign source within a calendar year, the institution shall file a disclosure report with the Secretary on January 31 or July 31, whichever is sooner.

ED specifically requests that the institution report the following pieces of information:

1. Name of the foreign source.
   a. Is the gift/contract from a foreign government, including but not limited to any agency of a foreign government? (Y/N)
      i. If yes, provide the name of the foreign government.
   b. Is the gift/contract from a legal entity, governmental or otherwise, created solely under the laws of a foreign state or states? (Y/N)
   c. Is the gift/contract from an individual who is not a citizen or a national of the United States or a trust territory or protectorate thereof? (Y/N)
   d. Is the gift/contract from a person, including a subsidiary or affiliate of a foreign legal entity, who acts as an agent of a foreign government, a legal entity created solely under the laws of a foreign state or states, or an individual who is not a citizen or national of the United States or a trust territory or protectorate thereof? (Y/N)
      i. If yes, provide the name of the foreign government, legal entity, individual or person.

1 ED has taken the position that, “Where a legal entity (e.g., a foundation) operates substantially for the benefit or under the auspices of an institution, there is a rebuttable presumption that when that legal entity receives money or enters into a contract with a foreign source, it is for the benefit of the institution, and, thus, must be disclosed.” It is explained, “We believe the plain language of Section 117 (or at the very least a reasonable interpretation of it) provides that when an institution receives the benefit of a gift from or contract with a foreign source in the covered amount, they must report it, regardless of whether it passed through an intermediary.” Revised ICR Comment Response.
2. Foreign source address including country of origin.
   a. For gifts/contract received from a foreign source other than a foreign
government, the country of citizenship, or if unknown, the principal residence
for a foreign source who is a natural person, and the country of incorporation, of
it unknown, the principal place of business for a foreign source which is a legal
tity.

   a. Amount.
   b. Date received (gifts) or date entered into (contracts).
   c. State and end date (contracts).
   d. Detailed description of all conditions or restrictions.

4. Specific restricted or conditional gift/contract provisions.
   a. Do the restrictions or conditions concern or relate to the employment,
assignment, or termination of faculty? (Y/N)
   b. Do the restrictions or conditions concern or relate to the establishment of
departments, centers, research or lecture programs, or new faculty positions?
(Y/N)
   c. Do the restrictions or conditions concern or relate to the selection of admission
of students? (Y/N)
   d. Do the restrictions or conditions concern or relate to the award of grants, loans,
scholarships, fellowships, or other forms of financial aid restricted to students of
a specified country, religion, sex, ethnic origin, or political opinion? (Y/N)

5. Recipient, including any and all intermediaries.

RE: Nominations for Honorary Degrees

By this correspondence, I am issuing the annual call for nominations for honorary doctoral degrees to be awarded from Northern Illinois University. Please share this with interested parties.

Awarding an honorary degree is an opportunity for the university to recognize someone especially outstanding in a field of interest to the university. It is necessary, though not sufficient, for a nominee to be accomplished and renowned in their field; an honorary-degree recipient should be clearly exceptional among other outstanding persons in that field. While a connection to Northern Illinois University or to the state of Illinois is not a requirement for nomination, any such relationship should be noted and will be considered during the selection process.

A nomination must be accompanied by:

- A supporting narrative that clearly indicates the nominee’s distinction, as mentioned above, in business, education, the liberal arts and sciences, technology, the fine arts, other professional fields or public service.

- One or more standard biographical statements from appropriate reference sources (these are not substitutes for the narrative indicated above).

- Current contact information for the nominee.

Any person affiliated with Northern Illinois University may submit a nomination indicating the nominator’s identity and connection with the university. The Honorary Degree Committee encourages nominations by groups as well as by individuals. Nominators should alert all university departments and divisions related to the area of the nominee’s accomplishments and invite those units to provide the committee with input regarding the merits of the nomination.

As the university does not intend to award more than two honorary degrees in a year, the selection process is stringent. Furthermore, as the committee recommendations subsequently pass through several other approval steps, the process is lengthy. This year’s nominations, with the required supporting information, should reach me by Friday, October 28, 2022.

Names of past recipients of the NIU Honorary Degrees are available on the Division of Academic Affairs website: https://www.niu.edu/academicaffairs/awards/degrees.shtml
