Temporary Appointment Timeline Waiver Request
per NIU Bylaws Article 10.5.2.2
Interim Chair, School of Interdisciplinary Health Professions (SIHP)

Per NIU Bylaws, Article 10.5.2.2, College of Health and Human Sciences Dean Kelly Fiala seeks University Council approval of a request for waiver of the timeline restrictions outlined in NIU Bylaws, Article 10.5.2 pertaining to temporary administrative appointments. This request for a waiver of the timeline restrictions was approved by the SIHP faculty on November 16, 2023.

Brief description
Currently, Dr. Melani Duffrin serves as the SIHP interim chair. Moving forward with a temporary appointment (Dr. Duffrin or another candidate) is a prudent decision as the college reevaluates organizational structure to improve function and considers strategies to improve efficiencies and reduce costs.

On June 15, 2023, the permanent dean began their tenure at NIU and is currently overseeing a strategic planning process. As the college is still in the initial phase of this process to seek input and feedback for the direction of the college, changes to the organizational structure in terms of program alignment would be premature. At this time, it is unclear whether such changes are imminent. Allowing for this interim appointment would afford the college the time necessary to solicit feedback and make decisions regarding the structure. In addition, filling the position on an interim basis allows the interim appointee the opportunity to explore their interest in a leadership position of this nature.

Given that Dr. Duffrin is currently in the interim appointment and NIU Bylaws, Article 10.5.2 specifies that a search for the permanent incumbent must be instituted within six months, I am requesting a waiver per NIU Bylaws, Article 10.5.2.2. On November 16, 2023, per bylaw requirement, SIHP faculty unanimously voted to support the request to continue with an interim appointment (whether Dr. Duffrin or another candidate) for an additional year until June, 2025. The proposed process to fill the interim position going forward would include an open call, presentations from the candidates, and a feedback session with faculty before a decision is made regarding the appointment of the interim chair. If faculty prefer a more streamlined process, adjustment would be made. Any process utilized would include faculty support prior to making an appointment.

Article 10.5 Acting and Other Temporary Administrative Appointments

10.5.1 If it is necessary to fill an administrative office, either because the incumbent is on leave of absence or because the office must be filled on a temporary basis while the search procedures specified in section 10.3 of these bylaws or in other university regulations are being completed, the administrative officer to whom the person to be appointed will report may appoint a temporary, acting replacement. This appointment shall be made only after consultation with the principal faculty committee and other committees routinely involved in advising the administrative office being filled. Questions regarding the appropriate committees for such consultation in any particular instance shall be resolved by the University Council Rules and Governance Committee.

10.5.2 When a vacant administrative office is being filled with a temporary or acting appointment, search procedures to secure a permanent incumbent for the office must be instituted within six months of such an appointment. Temporary or acting appointments made under such circumstances shall be for a term of no more than one year, and may not be renewed unless the subsequent search to fill the position fails to produce a permanent appointee.

10.5.2.1 This section of these bylaws may be waived when the office responsible for making the acting or temporary appointment is itself filled by an administrative officer holding office on an acting or temporary basis. In such instances, this section shall become operative on the date that an administrative officer who has a regular appointment as the incumbent in the appointing office assumes the responsibilities of that office.

10.5.2.2 This section of these bylaws may be waived if approval for such a waiver is obtained by the officer making the acting or temporary appointment from appropriate advisory committee and subsequently from the University Council. Questions about the appropriate advisory committee for any position shall be resolved by the University Council Rules and Governance Committee.
